MEDICINAL.

"A SECRET."

One great secret of youth and beauty for the young woman or the mother is the proper understanding of her womanly system and well-being. Every woman, young or old, should know herself and her physical make up. A good way to arrive at this knowledge is to get a good doctor book, such, for instance, as the "People's Common Sense Medical Adviser," by Dr. J. C. Pierce, M. D., which can be had by mail for one cent. It contains twenty-one cents in one-cent stamps for paper-bound volume, or thirty-one cents for cloth-bound copy. Dis- orders of the functions peculiarly feminine are nearly always dependent upon de- fective nutrition. In all such cases Dr. Pierce's Favorite Prescription is just the vegetable tonic for the female system. "I cannot express my thanks for the benefit I have received from Dr. Pierce's medicine," writes Mrs. Julia Weir, of Cambridge, Dor- chester Co., Me. "I took Favorite Prescrip- tion and feel that a perfect cure has been effected. I feel like thanking you for the kind and fatherly letters which you wrote."

Dr. Pierce's Pleasant Pellets should be used with "Favorite Prescription" when- ever the system is out of order. This REMEDY is sure to GIVE Satisfaction. ELY'S Cream Balm Gives Relief at Once. It cleanses, soothes and heals the dis- eased membrane. It cures catarrh and drives away a cold in the head quickly. It is ab- sorbed. Heals and protects the membrane. Restores the Senses of Taste and Smell. Full size 50c. at Druggists or by mail. Trial size 10c. by mail. ELY BROTHERS, 55 Warren Street New York.

FOR LADIES, TOO. They Can Stop Their Hair Falling Out With Herpicide.

Ladies who have thin hair and whose hair is falling out, can prevent the hair falling out, and thicken the growth, with Newbro's "Herpicide." Besides, Herpicide is one of the most agreeable hair dressings there is. Herpicide kills the dandruff germ that eats the hair off at the root. After the germ is destroyed, the root will shoot up, and the hair grow long as ever. Even a sample will con- vince any lady that Newbro's Herpicide is an indispensable toilet requisite. It contains no oil or grease, it will not stain or dye. Sold by leading druggists. Send 1c. in stamps for sample to The Herpicide Co., Detroit, Mich.

A CRISIS FOR STOESSEL.

A report that the Japanese are con- centrating their energies for a desperate assault on Port Arthur, in view of the approach of the Baltic squadron, is gen- erally credited in official quarters. Such a move has been expected as soon as the Japanese learned that the squadron's trip was an actuality, and no mere de- monstration. The authorities are pre- pared to hear terrible reports of the pro- jected assault. While not hazarding a guess as to whether the fortress can be carried if the besiegers are utterly re- gardless of human life, they are confident that General Stoessel will be able to make such an attack one of the costliest operations in history.

A long list of the decorations and promotions of naval officers at Port Arthur, signed October 24 and just published, shows that the warships at Port Arthur then included the battleships Retvizan, Pobieda, Peresviet, Poltava and Sevastopol, the armored cruiser Bayan, the protected cruiser Pallada, the gunboats Vandalik, Giliak and Bobr, the coast-defense vessel Otvashul, the transports Amur and Angara and the torpedo boat destroyers Stroini, Silni, Smyeli, Verditi, Bezshumi, Storozhevoi, Boiki, Razvashchi and Rastoropy.

The possession of the Rihlung and Keckwan forts enables the Japanese to place a sufficient force on the north front of the eastern ridge of forts to ex- ecute a sweeping movement against the battery positions on the crest of the western ridge of forts and 203-meter hill, which as yet they have not cap- tured.

It is reported that the Japanese saps directed against Rihlung Mountain, Sungshu Mountain and East Keckwan have reached the base of the center ditches. The defensive works outside the parapets of Rihlung and Sungshu mountains have been captured, leaving the Russians in possession of the parapets only. Japanese guns are shelling the parapets and inflicting heavy damage. The occupation of the forts is expected shortly. If the forts are taken the cap- ture of Port Arthur, proper, seems as- sured within a short time.

It is learned in Washington on excel- lent authority that the Japanese army was ordered to renew its attack on Port Arthur yesterday and to take the main fortifications at any cost. The water at Mukden having become so foul as to be undrinkable, the Rus- sian government has just purchased in this country a complete plant for distill- ing and sterilizing water and has paid several hundred thousand francs for the latest models of apparatus. Before dis- patching their purchases to Mukden, however, the Russian authorities decided to consult an eminent French medical and sanitary expert, attached to the army in Paris, as to whether the distilling and sterilizing plant was in perfect order and would do all that was promised of it. The expert replied in the affirmative, but pointed out that the apparatus could only be worked by gas power. As there is no gas in Mukden the Rus- sian government is now endeavoring to cancel the bargain with the manu- facturers of the apparatus. The ques- tion now remains: "What will the Russian army at Mukden do for water?"

Masquerades in Woman's Attire.

Naples is deeply interested in a young American, who calls himself Richard Atkinson. He has taken expensive rooms at the Hotel Savoy, where he keeps a retinue of 20 servants and drives a carriage with eight horses. He has the appearance of being immensely wealthy. What is more remarkable is that the young man possesses a wardrobe containing male and female attire in unlimited quantities and a collection of Parisian millinery said to be worth many thousands of pounds. He is about 21 years old, and not at all handsome; he speaks French and maintains several es- tablishments around Naples theatres, sometimes attired as a man and at other times as a woman, to the great scandal of the authorities, who have requested the British Consul to have him removed.

Made Young Again.

"One of Dr. King's New Life Pills each night for two weeks has put me in my 'teens' again," writes D. H. Turner, of Dempsey- town, Pa. They're the best in the world for Liver, Stomach and Bowels. Purely veg- etable. Never gripe. Only 5c. E. S. Lead- beater & Sons' Drug Store.

Only Makes a Bad Matter Worse.

Perhaps you have never thought of it but the fact must be apparent to every one that constipation is caused by a lack of water in the system, and the use of drastic cathartics like the old fash- ioned pills only makes a bad matter worse. Chamberlain's Stomach and Liver Tablets are much more mild and gentle in their effects, and when the proper dose is taken their action is so natural that one can hardly realize it is the effect of a medicine. Try a 25 cent bottle of them. For sale by Gibson & Timberman and W. F. Creighton & Co., druggists.

A Good Complexion.

"Sparkling eyes and rosy cheeks restored by using DeWitt's Little Early Risers," so writes S. P. Moore, of Nacogdoches, Tex. A certain cure for biliousness, constipation, etc. Small pill—easy to take—easy to act. Sold by all druggists.

NEWBRO'S HERPICIDE.

The Original Remedy That "Kills the Dandruff Germ"—An Exquisite Hair Dressing.

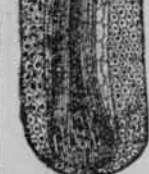

Herpicide Girls

THE LADIES OBJECT to a gummy and sticky hair dressing or one that is full of sedimentary chemicals in- tended to dye the hair. The marked preference for a clean and dainty preparation, particularly one that overcomes ex- cessive oiliness and leaves the hair light and fluffy, is re- flected in the enormous sale of Newbro's Herpicide. Dis- criminating ladies become enthusiasts over its refreshing quality and exquisite fragrance.

A WOMAN TO BE PRETTY must have pretty hair. The features may be quite plain or even homely, yet if the head is crowned with an abundance of beautiful hair, attractiveness will not be lacking. The poet says: "fair tresses man's imperial race ensue." Herpicide gives the hair a charming distinctiveness that is characteristic of no other hair dressing.

DISEASED HAIR A MISFORTUNE. Un- sightly or diseased hair is a misfortune in more ways than one. There is the actual injury to the hair follicles, and the consequent loss or thinning of the hair; this may cause diseases that sometimes follow a removal or thinning of nature's protec- tion to the head. A diseased condition of the hair affects a woman's disposition to a marked degree.

A Healthy Hair.
